Dear Anwar Datta + D/c.,

We are inviting you to speak at our Dayschool on 'Immigration, Repatriation and Harassment!' On the 22nd November at the Highfields Community Centre, Leicester, from 11am to 5pm. If you agree ^{to come}, you will be speaking in the afternoon, so the early start won't really affect you.

As you remember when I met you in Nottingham, that in Leicester we are organising to fight for your case on a ^{bigger} ~~larger~~ basis, and your attending will have a ^{beneficial} ~~positive~~ effect ^{for all of us} ~~on the whole~~. I hope that you can come, until I see you next, take care!

Yours fraternally
Chandra!
