Dear Shuja Ud Din,

I would confirm that you, Anwar and Samera are required to attend the London Hospital on Monday 16 February and Wednesday 18 February for blood tests. You should report at the Department of Immunology, London Hospital Medical College, 56 - 76 Ashfield Street, Whitechapel, London E.1. in the early afternoon on both days. The person to contact is Mieke (pronounced Meeka) Van Dam. The hospital is only a few hundred yards from the Whitechapel Tube Station but if you need further directions you can ring Mieke direct on 01 790 3033.

Your rail tickets will be sent to you next week but if there are any problems don't hesitate to ring Tom Gill on 061 832 7211.

Best wishes

Jane Leighton.
