That this House calls upon the Home Secretary to unite Anwar Ditta, a British subject born in Birmingham, with her three children Kamran Shuja, born 7th November 1970 in Pakistan, Imran Shuja, born 21st June 1972 in Pakistan and Saima Shuja, born 16th July 1973 in Pakistan, by issuing entry certificates to these three children forthwith ; notes that Anwar Ditta married Shuja Uddin in Pakistan in 1968 and that both parties have signified their desire to be subjected to medical test to prove their relationship, though this would not appear necessary in view of the consultant gynaecologist's evidence that Samaira Suja, born 6th April 1976, was Anwar Ditta's fourth child ; and notes that the Shuja family presently reside at 127 Crawford Street, Rochdale, Lancashire, which residence can adequately accommodate the Shuja children.
