STREET MEETING
Sat. 15th March
11.00 am.
King St. South.

Come along and hear Anwar Ditta explain the details of her case - how Britain's immigration laws have kept her separated from her children for four years.

Come and hear the details of other cases which expose the blatant racism of the British state: Nasira Begum threatened with deportation, Said Bibi deported ten days ago, and Mohammed Fazal separated from his family.

But the fightback is gathering strength!

The Anwar Ditta Defence Campaign has already organised pickets outside the Home Office, in Rochdale, and at Manchester Town Hall for the visit of Timothy Raison. This growing campaign has already forced the Home Office into giving Anwar's appeal 'top priority', and bringing it forward to April 28th.

But that is not enough, Anwar wants her children with her now!

That is why the Defence Committee organised the highly successful demonstration in Rochdale on March 1st. It was to tell the Home Office that Anwar wants her children now!

And it was also the first step in building a campaign that can defend not only Anwar Ditta's right to her children, but all Asian people in Rochdale fighting the racism of the British state and its immigration laws.

So come along to the street meeting, not just to listen, but to join in and help build the growing fight against racism in Rochdale.
