ANWAR DITTA DEFENCE COMMITTEE PUBLIC MEETING

SUPPORT ANWAR DITTA: STOP THIS RACIST ATTACK: SUNDAY 10th AUGUST AT 4.00pm

COMMUNITY CENTRE, SOUTH STREET, ROCHDALE

RACIST HOME OFFICE REJECTS ANWAR DITTA'S APPEAL

Once again the racist HOME OFFICE has refused to allow Anwar Ditta's children into Britain. For $4\frac{1}{2}$ years Anwar and her husband have been refused the right to be reunited with their own children. For $4\frac{1}{2}$ years they have suffered the racist oppression of the British state which is trying to break up the family in the most brutal and vicious way.

THE FIGHT CONTINUES

Anwar Ditta and the Defence Committee does not accept the Home Office decision. The struggle will go on. But now it must be a bigger, stronger and more resolute fight against the racist state, its immigration controls and the Home Office. The Defence Committee has already planned:

- * This public meeting
- * A demonstration in Rochdale
- * A march from Rochdale to Manchester
- * A national demonstration in London

For these to succeed, the campaign in Rochdale must be supported by the black community in Rochdale and all those ready to fight racism.

ANWAR DITTA'S STRUGGLE - AN ANTI-RACIST STRUGGLE!

The attack on Anwar's family is not an isolated attack. It is part of a massive attack that the British state is carrying out on black people in Britain today. Not only through the immigration laws, but also through the police, the courts and the prisons. In Rochdale alone the viciousness of the attack on the black community can be seen:

- * Anwar's family has been split
- * Said Bibi, an 80 year old Asian widow has been deported
- * Nasreen Akhtar is threatened with deportation
- * May 1980 Racist skinheads attack middle-aged Asian man in Hay Street
- * May 1980 Palace Cinema attacked by thirty racist skinheads.
- * June 1980- Asian bus driver injured by brick thrown at his head.
- * June 1980- Two Asian youth beaten up by skinheads at Greenhills School

The Anwar Ditta Defence Committee's struggle is a struggle not only to reunite her family, but a struggle against the racist state itself and all racist oppression. A victory for Anwar Ditta will be a victory for all black people. The Defence Committee appeals for support for its campaign from the black community, from the black youth and all those ready to join the fight against racism.

Como to the public meeting! Support the campaign!
