# FREE THE BRADFORD 12

NATIONAL MOBILISING COMMITTEE

BOX JK, LAP, 59 COOKRIDGE STREET, LEEDS 2

## AFFILIATION FORM

12 young Bradford Asians face trial at Leeds Crown Court on 26th April on charges of Conspiracy and offences under the 1883 Explosives Act. All 12 will plead not guilty to all charges, but if convicted they could be sentenced to life imprisonment.

Many of the Bradford 12 are members of the United Black Youth League, an independent radical organisation committed to fight against the racism of British society and to defend the rights of black people. They were active in the struggles of Anwar Ditta, Jaswinder Kaur, Nasira Begum, Gary Pemberton and many others.

Now the State is trying to silence the Bradford 12 by sentencing them to life imprisonment. This is a direct political attack on the black community and the working class as a whole, designed to intimidate people who organise to defend their rights.

The campaign to free the Bradford 12 is calling on all sympathetic groups, organisations and individuals to show solidarity with a just struggle and affiliate to the Bradford 12 National Mobilising Committee. We are asking for an affiliation fee of a minimum of £10 (subject to negotiation for local community groups etc).
