Stop British collaboration with Apartheid! Victory to the ANC! Victory to SWAPO! Make Bradford an Apartheid Free Zone!

WHAT IS APARTHEID?

Apartheid is the brutal system of degradation of the black majority by the white racist minority, where:

- 24 million black people have no vote.
- 1 in 4 black children starve to death in the bantustan concentration camps.
- The white minority (14% of the population) owns 87% of the land.
- The people of the Front Line States live in constant fear of attacks from South Africa. 100,000 South African forces illegally occupy Namibia.

'The real enemy of our people are not the white settlers of South Africa. No, the real enemy is in New York and London. The white settlers in South Africa are only the caretakers of imperialist interests in South Africa.'
(ANC speaker, Heroes Day December 1981)

BRITAIN SUPPORTS APARTHEID!

British banks and companies make their bloodstained fortunes from black slave labour in South Africa. British Leyland supplies the army and police of the apartheid regime with landrovers. 70% of uranium imported to Britain is stolen from the Namibian people.

The British government has failed to raise a real protest at South Africa's invasion of Angola, and the massacre of thousands of men, women and children. Successive British governments have maintained economic, military, diplomatic and cultural links with apartheid South Africa. Without British support, apartheid could not survive!

MAKE BRADFORD AN APARTHEID FREE ZONE!

The Bradford Anti-Apartheid Group is calling on Bradford Council to declare Bradford an Apartheid Free Zone. An Apartheid Free Zone would be a real step forward in the struggle to isolate the South African regime, and aid the liberation movements in Southern Africa.
