

We will serve, we will suffer, we will sacrifice.....
We will fight for our people, we will fight for our rights !

When they come to burn our houses.....
We will arm ourselves and fight !

When they come to attack our people.....
We will stand our ground and fight !

When the pigs frame us up.....
We will smash their laws and fight !

When our people stand in the dock.....
We will stand by their side !

When they come to deport our people.....
We will organise the fight !

When the Bastards march.....
We will mobilise and fight !

We will serve, we will suffer, we will sacrifice.....
We will fight for our people, we will fight for our rights !
