

DEFENCE CAMPAIGN

P & P The Sheffield defence campaign; c/o SCAU, West Street, Sheffield 1

We the undersigned, note with anger and concern the arrests of five people during a peaceful demonstration in Sheffield, against Ray Honeyford, who had been invited by the 'Freedom Association', when supporters of this organisation began to racially taunt people on the picket. The police, who were present in force, protected the racists but, used harassment, intimidation and aggression to 'keep the peace'. The five have been criminalised for opposing racism.
