

STOP ALL DEPORTATIONS

LAST YEAR 1,986 BLACK PEOPLE WERE DEPORTED UNDER BRITAIN'S RACIST IMMIGRATION LAWS
WE HAVE TO STOP THIS FORCED REPATRIATION OF BLACK PEOPLE.

In Sheffield we have been fighting a campaign to stop the deportation of Malik feroze Khan and Ali begum - the elderly parents of a local family. A resolution will be put to the City Council meeting on Wednesday November 2nd, calling on the Home Secretary to allow these people to stay.

WE WANT AS MANY PEOPLE AS POSSIBLE TO BE OUTSIDE THAT MEETING AT 2pm AND LATER TO GO INTO THE PUBLIC GALLERY:

- * To show how much local support these people have got.
- * To call on the City Council to make a commitment to support, not just these individuals, but anyone who is threatened under the racist immigration laws.
- * To show our opposition to all immigration controls and all deportations.

PLEASE JOIN US OUTSIDE THE TOWN HALL AT 2pm ON WEDNESDAY NOVEMBER 2nd*****-
