NATIONAL ASIAN YOUTH MOVEMENT.

2.12.1983.

Dear Comrades,

due to the lack of communication and correspondence between branches and myself I have been unable to convene a National meeting. It was due to this fact that the meeting, scheduled for the 20th. November 1983 in Nelson was postponed. Furthermore, minutes of the last meeting have also not been forwarded to me for distribution.

All branches will of course realise that we are closely approaching the date of launch for the NAYM. Although we have the constitution out of the way, there are many more urgent matters on the table to be dealt with, such as the aims and objectives, recruiting leaflet etc.

Full consideration has been taken of the present campaigns each branch is at present involved in and also our own regional difficulties. Due to these situations I have planned a meeting for the 14th. January 1984 at 12.00pm. in Bradford. I would be extremely grateful if each branch would contact me immediately, either by phone or letter, confirming this date.

Could all branches please send me a full list of names of your delegates for the NAYM Committee, and any items for the agenda. I will distribute the last minutes, agenda, place of meeting, immediately after I have received the pertinent information.
