# **Support Josephine Thomas and her family**

# JOSEPHINE THOMAS

According to the present Immigration Laws, Josie's four children can remain in this country but Josie herself, in spite of being born a British citizen and having lived in this country for seventeen years, CANNOT.

She went to Grenada to look after her sick mother who had undergone major surgery. For various reasons she remained five months longer than the ~~Two Year~~ Returning Residents' Rule allows. Her plea to remain in Britain with her family has been turned down. Josie is appealing against this decision.

## Appeal against Deportation

Josie's appeal against Deportation is to be heard on FRIDAY 11th NOVEMBER at:

Tranquility House,  
Crossgates,
