

STOP THE DEPORTATION OF MANDA KUNDA AND HER CHILDREN

Manda Kunda came to UK in 1983 from Zambia with her husband, who is a student here. She and her 3 children were subjected to extreme violence and cruelty from him. She eventually fled. The HOME OFFICE are threatening to deport her and the children. They would find themselves in great danger, without any form of support if she returns to Zambia.
MANDA MUST STAY.

WE THE UNDERSIGNED DEMAND THAT MANDA AND HER CHILDREN BE GIVEN THE RIGHT TO STAY
