These young men and their organisation, THE UNITED BLACK YOUTH LEAGUE, fought for the Democratic Rights of Black People. They defended ANWAR DITTA, JASWINDER KAUR, NASIRA BEGUM, GARY PEMBERTH and many others.

Now the Government and the Police are trying to silence them.

We must not allow this. Their trial is our trial. ASIANS, WEST INDIANS and AFRICANS must unite and struggle to win their freedom. We must call upon white workers and unemployed to support us. TOGETHER WE MUST SAY 'NO' TO POLITICAL REPRESSION. FREE OUR BROTHERS NOW!
