FRAMED BY THE POLICE. CHARGED WITH CONSPIRACY. FACING LIFE IMPRISONMENT.

Our mothers and fathers, Sisters and brothers are attacked and murdered in the streets. The police do nothing. Our homes and places of worship are burned to the ground. Nobody is arrested. Families are burnt to death. The murderers and fire bombers speak openly of their organised violence against our communities. They are not charged with Conspiracy. The politicians and police have failed us. Our youth are our only protection. These young men defended, Anwar Ditta, Jasvinder Kaur and many others. Now they have been taken from us. We must not fail them. We must fight to bring them back. They have defended our Community we must now defend them.
