SUPPORT THE NEWHAM 8 ...SUPPORT THE NEWHAM 8 ...SUPPORT THE NEWHAM 8 ...

The case of the Newham 8 - Dalbir Johal, Uttu, Vipun Pathak, Kulwinder Matwala, Goga Khan, Bhupinder Sangha, Kalbir Singh Khela and Gurjit Hunjan - now enters its final stages.

The eight face a number of serious charges ranging from affray to assault to threatening behaviour. At this stage of the trials it is essential that the whole Black community and all anti-racists everywhere give maximum support and solidarity to the eight.

The judge, jury and the state have to be shown that it is the whole Black community that is on trial and not just the eight, that they are sitting on an issue and not just an individual case.

To show support for the eight, who stood up for the community, support the mass picket of the Old Bailey courts on Friday 16th December at 9.30am.
