Joint Press Statement (for Release)

Re: Select Committee Meeting of MP's in Bradford.

Both organisations have been approached to chair & participate in the above meeting. We would like to make it quite clear that, we are not interested in any such token meeting. The AYM and Checkpoint would only be involved if approached to organise and participate in structured discussions and investigations.

Senior Bradford Councillors have already admitted that the meeting will be a waste of time. Comparatively, young black people in the city would view such a token meeting, an insult and utter waste of time.
