

ASLAM FAMILY DEFENCE CAMPAIGN

c/o St. John's Rectory, St. John's Road,
Longsight, Manchester 13.

15th March 1985.

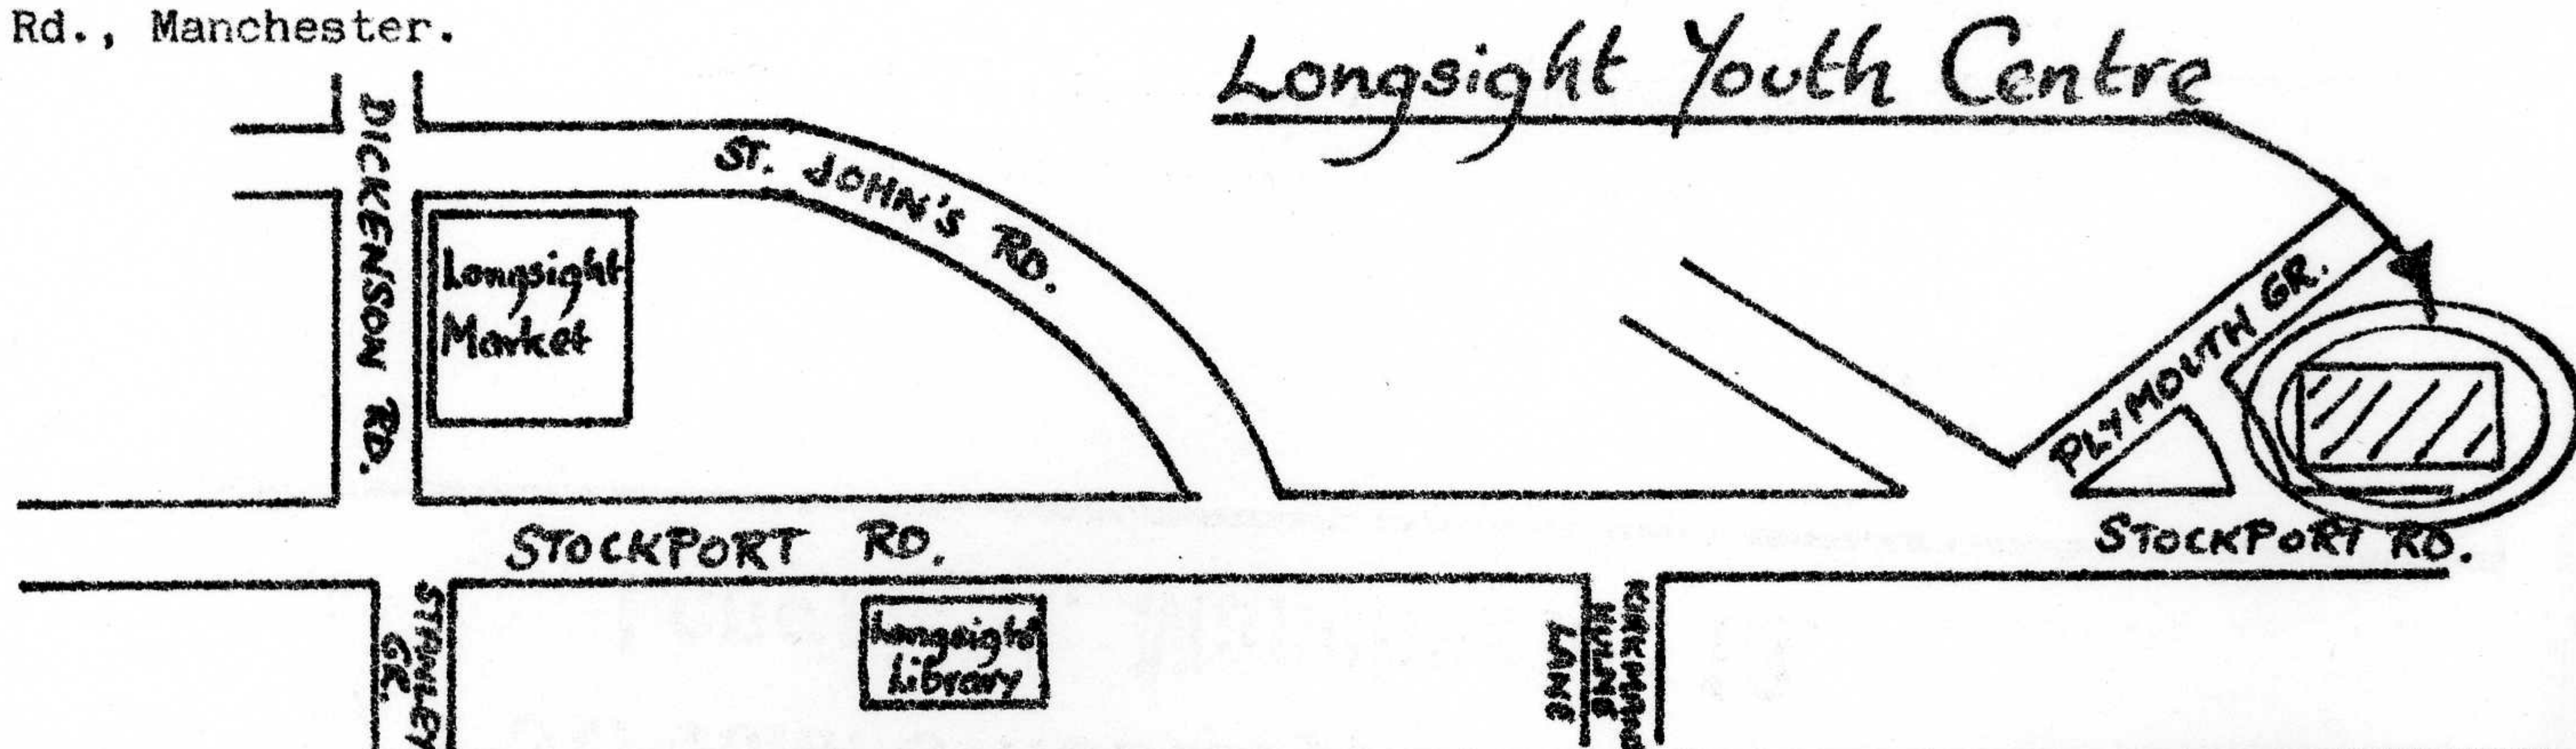

This is to inform all our supporters that the Aslam Family have won the right to stay in this country. Their struggle lasted four months. Throughout that time they built up the support of hundreds of people, collected 10,000 petition signatures, picketted the Home Office, held public meetings, a demonstration and a very successful social.

The determination and hard work of all those involved in the campaign was rewarded by the arrival of a letter from the Home Office on 5th March 1985, stating that the Home Secretary had reviewed his previous decision on "compassionate grounds" and that the Aslams could stay in this country for an "indefinite" period.

The family and other members of the campaign wish to extend their sincerest gratitude to all of you who have participated and supported them in their fight against this country's racist immigration laws. Without your active support we could not have turned what was deemed a "hopeless" case into a victory for all black people. This victory will be an inspiration to all those fighting the same battle and we hope that your support will continue and win many more deportation cases.

Thankyou again for your support. The Aslams will be celebrating their victory on Sunday 24th March 1985 at 8 pm at Longsight Youth Centre, Stockport Rd., Longsight, Manchester 13. We invite all to attend but due to a lack of space we may unfortunately have to operate a system of first come, first served.

P.S. Don't forget the Demonstration and Rally next Saturday, 23rd March to 'Fight Deportations! Unite Families! Fight Racism!', assembling 12.30 at All Saints, Oxford Rd., Manchester.

We STOPped THE DEPORTATION OF THE ASLAM FAMILY!
