

STOP THE DEPORTATION OF THE ASLAM FAMILY!

Write to the Home Secretary

It is a matter of great urgency that the Home Secretary receives thousands of individual letters supporting the Aslam family's right to stay. Please write immediately, and include any of these reasons why you think they should stay.

- * Both elderly parents of Mrs Aslam, who are permanently resident here, are seriously ill and they depend on the Aslams for care and support.
- * The children were born here and this is their only home.
- * Mr Aslam would not be in this position if he had not been ill-advised by a solicitor.
- * The extended family have been here for almost 20 years and are well known and respected in the community.

Please remember that it is a personal letter from you and do not just copy the reasons from this list.

Always put this Home Office number on your letter:

A 195134

Address your letter to:-

The Home Secretary,
c/o G. Kaufman M.P.
House of Commons
Westminster
London.

Please can you either send your letter to us, and we will forward it to G Kaufman, or send us a copy. This will be an enormous help to us in knowing how the campaign is going.
